

A Pre-optimization assignment**B** Pre-optimization assignment**C** Pre-optimization assignment**D** Post-optimization assignment**E** Adjacency radius
(post-optim., max-intersection)**F** Regularization
(post-optim., max-intersection)**G** Cell degree weight
(post-optim., max-intersection)**H** Cell intensity weight
(post-optim., max-intersection)**I** Spatial cell-cell distance weight
(post-optim., max-intersection)
